Section 1

Background

Former Chief Executives and Senior Executives

1. The Chief Executive Service and Senior Executive Services¹ were employed under the provisions of the former *Public Sector Employment and Management Act 2002* (PSEM Act). That Act was repealed in 2013 and replaced with the *Government Sector Employment Act 2013* (GSE Act).
2. There may be a small number, if any, transitional former senior executives subject to the transitional arrangements provided for in Schedule 4 of the GSE Act, and executives employed in the NSW Police Force Senior Executive Service and the NSW Health Service who continue to be eligible for remuneration packages as determined under Part 3A of the SOOR Act. For that reason, the Tribunal will continue to make a determination for the SES remuneration ranges. The Tribunal will review these arrangements each year to determine whether further determinations are required.

NSW Police Force Senior Executives

3. The *Police Act 1990* was amended on 31 October 2017 to provide for NSW Police Force senior executives to be employed in a Public Service senior executive (PSSE) band. The remuneration package of a NSW Police Force senior executive must be within the range determined under the SOOR Act for the band in which the executive is employed. These remuneration ranges are determined in accordance with Part 3B of the SOOR Act and published in the Public Service senior executive determination.
4. In accordance with Schedule 4 of the *Police Act 1990* transitional arrangements are in place for existing police senior executives and administrative senior executives employed under the former senior executive provisions. These executives continue to

receive a remuneration package as provided for under the former senior executive provisions, being the ranges determined in this determination pursuant to Part 3A of the SOOR Act. Transitional arrangements will continue until the latest implementation date applicable to each executive subject to these arrangements after which the new senior executive provisions will apply.

NSW Health Service Senior Executives

5. The Tribunal has historically determined remuneration ranges which applied to certain executives in the Health Service - the Specialist Medical Skills Determination and the General Medical Skills Determination. Senior executives in the NSW Health Service are now aligned to the employment arrangements for PSSEs under the GSE Act. The Tribunal will retain the Specialist Medical Skills Determination and the General Medical Skills Determination for administrative purposes to cover transitional arrangements.

2020 No Increase

6. Given the current economic and social circumstances, the Tribunal has determined that there be no increase for all office holders subject to this determination, effective on and from 1 July 2020.
7. This is consistent with the Tribunal's determinations for the Public Service senior executives, and the Public Office Holders, Court Related Office Holders and Judges and Magistrates Groups and the Government's wages policy which the Tribunal is required to give effect to pursuant to section 6AA of the SOOR Act.
8. The Tribunal consulted with the Assessors prior to making this determination.
