# Section 1

## Background

### Former Chief Executives and Senior Executives

1. The Chief Executive Service and Senior Executive Services<sup>1</sup> were employed under the provisions of the former *Public Sector Employment and Management Act 2002* (PSEM Act). That Act was repealed in 2013 and replaced with the *Government Sector Employment Act 2013* (GSE Act).
2. There may be a small number, if any, transitional former senior executives subject to the transitional arrangements provided for in Schedule 4 of the GSE Act, and executives employed in the NSW Police Force Senior Executive Service and the NSW Health Service who continue to be eligible for remuneration packages as determined under Part 3A of the *Statutory and Other Offices Remuneration Act 1975* (SOOR Act). For that reason, the Tribunal will continue to make a determination for the SES remuneration ranges. The Tribunal will review these arrangements each year to determine whether further determinations are required.

### NSW Police Force Senior Executives

3. The *Police Act 1990* was amended on 31 October 2017 to provide for NSW Police Force senior executives to be employed in a Public Service senior executive (PSSE) band. The remuneration package of a NSW Police Force senior executive must be within the range determined under the SOOR Act for the band in which the executive is employed. These remuneration ranges are determined in accordance with Part 3B of the SOOR Act and published in the Public Service senior executive determination.
4. In accordance with Schedule 4 of the *Police Act 1990* transitional arrangements are in place for existing police senior executives and administrative senior executives employed under the former senior executive provisions. These executives continue to receive a remuneration package as provided for under the former senior executive provisions, being the ranges determined in this determination pursuant to Part 3A of the SOOR Act. Transitional arrangements will continue until the latest implementation date applicable to each executive

<sup>1</sup> Unless otherwise stated, the Chief Executive Service and the Senior Executive Service are referred to collectively in the Report and Determination as SES.

subject to these arrangements after which the new senior executive provisions apply.

## **NSW Health Service Senior Executives**

5. The Tribunal has historically determined remuneration ranges which applied to certain executives in the Health Service - the Specialist Medical Skills Determination and the General Medical Skills Determination. Senior executives in the NSW Health Service are now aligned to the employment arrangements for PSEs under the GSE Act. The Tribunal will retain the Specialist Medical Skills Determination and the General Medical Skills Determination for administrative purposes to cover transitional arrangements.

## **2022 General Increase**

6. For the reasons set out in Tribunal's 2022 annual determination relating to Public Service senior executives, the Tribunal has determined an increase of 2 per cent to the minimum and maximum amounts for each of the remuneration ranges in Section 2 of this determination, effective on and from 1 July 2022.
7. In fulfilling its functions, the Tribunal consulted with the Secretary of the Department of Premier and Cabinet, in their capacity as Assessor under the SOOR Act. The other assessor role is currently vacant.
